

Registration and EULA for D3G Videos & CE packs

1. How to register online:

Go to the **D3G event eShop** (e.g. [D3 Learning Loop](#), or [Toronto 2020+](#)) and select the appropriate **dropdown option** as follows:

Option 1 – For **paid-up D3G members** from **Higher-Income Countries (HIC = high & upper middle, as defined [here](#))**.

Option 2 – For **non-members** and D3ers with **lapsed subscriptions** from **HICs**, use this simple **Register & Join or Renew** option – see [Join D3G](#) for terms of annual individual subscription.

Options 3 & 4 – If you're from a **Lower-Income Country (LIC = [lower-middle & low](#)) and financially needy**, the registration cost is halved. However we respectfully ask that, if you're able to pay the full amount, please do so – because [D3G is financially needy](#) too!

Option 5 – People keen to **help others** (and gain karma) may **sponsor D3G memberships** to help others participate in this event. Simply add one or more memberships to your order, and we'll contact you about your gifting wishes (beneficiary target, anonymity). Alternatively, if your pockets run deeper, please [contact us](#). Read more about helping others via **'D3 Pay It Forward'** [here](#).

Currency is Australian (AU) dollars. Typically **AU\$100 = US\$72 = EU€62** ([other currencies](#)).

- D3G Videos and CE Packs are copyrighted property of **The D3 Group for developmental dental defects (D3G)**
- They are offered for on-demand viewing only by individuals (end users) who have paid an agreed licensing fee, being the registration fee for D3G Video & CE packs
- As a D3G Video & CE-pack registrant (licensee), you undertake to access these materials for your personal use only, and at the viewing location you have specified
- You further undertake to **not share the access details (URL and password)** and associated CE content **with anyone else**, realising that unregistered use undermines the rights of others and may invalidate your password
- Viewing of any of these videos constitutes acceptance of this EULA
- You understand that, if you're uncomfortable with any of these EULA terms, you should destroy all records of the access details and not view the videos or pursue the CE option
- You further understand that D3G will happily discuss any concerns about this EULA

Any questions or tips for improvement to this EULA? – please don't hesitate to ask or share ([contact us](#)).
